

KACHINA CHAPTER 28
PMB #428
5025 N Central Avenue
Phoenix AZ 85012

April 15, 2010

Kachina Chapter 28 of the International Right of Way Association (IRWA) will be hosting its 52nd Annual Educational Seminar on September 15, 16 and 17, 2010. This Seminar will provide training courses and meetings qualifying for real estate license renewal credits, professional appraisal continuing education credits (if available), and IRWA professional designation credits.

Given the state of the economy and the need to find alternative solutions, our 2010 theme is "Working Smarter by Working Together." Our speakers will focus on topics that will be relevant to our industry in the coming years. Continuing education is the primary thrust for IRWA professionals. The Seminar Committee is working hard to make certain that the Seminar will provide valuable and timely information.

This year, as in the past, we are seeking monetary contributions to help offset the cost of the Seminar as well as for items for Door Prizes to be given away at the Seminar. Your contribution would be greatly appreciated*.

Please use this letter as a record for inclusion as verification of said contribution to a 501(c)(6) organization.

Supporters will be acknowledged verbally and on a placard displayed throughout the Seminar for all contributions received on or before August 15th. We do sincerely appreciate your participation on any level. If you are making a monetary contribution, please make your check payable to: IRWA, Kachina Chapter 28 and note our mailing address is: PMB #428 / 5025 North Central Avenue / Phoenix, AZ 85012.

If you have any questions, please feel free to contact me at 602-542-8857.

Sincerely,

A handwritten signature in blue ink that reads "Karen L. Williams".
